

AIBI.GLOBAL PARTNER PROGRAM GUIDE

Welcome to the [AIBI.Global Partnership Program](#).

This guide outlines the framework for our collaboration, ensuring transparency in how you refer clients, register deals, and receive commissions.

AIBI.Global provides **AI-powered** data analytics solutions for prop firms and brokers that brings risk, sales, and management insights into one unified system — effectively replacing 3–5 different tools with a single platform. Using AI trained on actual trading behavior, we provide the data you need to optimize trade flow management and increase profits while keeping risks under control.

PRODUCTS

SPARK

High-Conversion / Self-Service

SPARK is a fast, focused data analytics solution built for firms that need actionable data without heavy implementation.

Target Audience

Specifically designed for small brokers and prop firms, as well as companies at the launch or early growth stages.

Instant Deployment

Clients go live instantly and see results from day one.

Market Advantage

Positioned with the lowest subscription price on the market to ensure the highest conversion rate for partners.

Streamlined Onboarding

Designed for a "Self-Service" experience where clients can subscribe directly on our website to save time.

JET

Enterprise Scalability

JET is our flagship solution for established market players who require institutional-grade depth.

Target Audience

Large, established brokers and prop firms that have outgrown basic tools and require complex systems.

Deep Analytics

Provides comprehensive automation and the deepest possible analytical coverage of all business processes.

The Upgrade Path

As SPARK clients scale their operations and their requirements become more sophisticated, they can seamlessly transition to JET.

Increased Commissions

Higher subscription values for JET enterprise contracts result in significantly higher recurring payouts for partners.

PARTNERSHIP MODELS

Referral

AFFILIATE PROGRAM

Ideal for industry professionals, consultants, and media owners who are able to introduce leads to AIBI.Global.

The Workflow

You share your unique link or make an introduction; we manage the sales process and billing.

Revenue

You receive a **10% monthly recurring commission** for as long as the client stays active.

White Label & Technology Providers

RESELLER PROGRAM

Designed for platform owners and integrators who want to bundle AIBI.Global's data analytics solutions into their own service packages.

The Workflow

You manage the sales process, client relationship, and billing.

Revenue (Markup Flexibility)

You purchase licenses at a wholesale rate, set your own end-user pricing, and keep **100% of the markup** as profit.

Branding

Partners can offer AIBI.Global as a co-branded solution or a fully integrated White Label component.

COMMISSION STRUCTURE (AFFILIATE)

Ideal for industry professionals, consultants, and media owners who are able to introduce leads to AIBI.Global.

TIERED RATES

We value **long-term relationships**. Our goal is to work with partners who grow with us over time, bringing consistent value to their network while benefiting from steady, recurring commissions.

The tiered structure below is designed to **reward active partners** while still keeping the program flexible during slower periods.

SPARK

10% Recurring Commission:

Available to partners who consistently bring in 2 or more new referrals per month.

 **5% Recurring Commission:** Applied if only 1 referral is made within a 3-month time period.

 **Activity Note:** Commission payouts are discontinued if no new clients are referred within 3 months.

JET

10% Recurring Commission:

Available to partners who consistently bring in 2 or more new referrals per month.

 **5% Recurring Commission:** Applied after 12 months of inactivity (no new referrals).

 **Activity Note:** Commission payouts are discontinued after 24 months of inactivity.

PROGRAM TERMS & TRACKING

TRACKING

Digital referrals are tracked via a **90-day cookie window**. This ensures you get credit if a client returns to subscribe within 3 months of their first visit.

PAYMENTS

Payouts are made monthly (**NET-30**) via USDT or Bank Transfer.

FAQ

— Can partners choose to work with one product?

Yes. Partners can choose if they want to work with either SPARK, JET, or both.

— What's a variable fee?

It's a monthly per-active-account fee which we charge the clients.

— Can I switch models?

Yes. Contact our partner manager to update your agreement.

— Can I promote AIBI.Global online?

Yes, using our approved marketing materials.

— Can I offer discounts?

Affiliates are not allowed to offer discounts. Resellers control their own prices including discounts.
