

Empowering Your Business with AI

AI-POWERED DATA ANALYTICS SOLUTION FOR BROKERS & PROP FIRMS

<https://aibi.global> ➤

ONE PLATFORM. ONE VIEW. FASTER, SMARTER DECISIONS.

AIBI.Global helps brokers and prop firms at any stage of business growth increase revenue and reduce losses with real-time, AI-driven data analytics solutions that cover multiple key business operations, including sales, risk, and performance, all in a single platform

Most firms today use separate systems for:

Sales & retention

Risk & abuse monitoring

KPIs & management oversight

This results in:

Missed profit opportunities

High client churn

Slow reaction to risks & undetected revenue loss

Manual data monitoring increases risk of errors

AIBI.GLOBAL BRINGS EVERYTHING TOGETHER

One Platform

One Source Of Truth

Higher Profitability

Retention & Sales Performance Intelligence

Exposure Monitoring in Real Time

Abusive & Toxic Flow Detection

15+ ANALYTICS MODULES IN ONE DASHBOARD

Not just reports — intelligence that drives outcomes

P&L Monitoring

Margin Call Report
(Proactive Sales & Retention Tool)

AI-Driven Analytics
(Client Behavior, Risk, & Trading Activity Insights)

Management KPI Performance Monitoring

THREE VERSIONS. SAME AI CORE.

Adaptable for Different Operational Models.

PROVEN RESULTS WITH REAL BROKERS & PROP FIRMS

AIBI.Global's analytics engine has already delivered measurable increases in profit, reduced losses, and strengthened retention across firms of different sizes, with continuous advancements driving even stronger results over time.

Prop Firm
(~12,000 accounts)

+\$4.7M

Revenue generated
by preventing margin-call liquidations

+\$1.94M

Net profit
from trader behavior-based allocation decisions

+\$448K

Net profit
preserved through early detection of abusive trading behavior

Prop Firm
(~1,200 accounts)

+\$220K

Revenue generated
by preventing margin-call liquidations

+\$138K

Net profit
from trader behavior-based allocation decisions

+\$7K

Net profit
by blocking toxic trading / scalpers / latency abuse

NEXT STEP

Whether you're scaling an established organization or building a lean, fast-growing team — we'll help you choose the version that fits your stage:

SPARK

Same intelligence core, optimized for lean teams and early-stage firms

FLAME

Enhanced, ready-to-use, AI-powered analytics for growing brokers and prop firms

JET

Enterprise-grade platform for brokers and prop firms in need of advanced analytics

We'll be happy to walk you through our current setup, discuss challenges, and show how our platforms can increase profitability, strengthen risk control, and improve trader retention.

TURN DATA INTO ACTIONABLE INSIGHTS TODAY

Grow revenue, retain your traders, reduce risk, and operate with confidence
with our analytics solutions tailored to fit your business.
